

Canuck Place
CHILDREN'S HOSPICE
embracing life

ANNUAL REPORT 2005/2006

CANUCK PLACE is a story of courage and vision, and a shining example of the good that comes from individuals and organizations seeing a need in their community and working together to fill it. In this case, there was a need to provide another care option for children with life-threatening illnesses and their families—an option that would give families the added flexibility to access hospice care when hospital or home care could no longer meet their needs.

MESSAGE FROM WAYNE DUZITA, HOSPICE
BOARD CHAIR & FILOMENA NALEWAJEK,
EXECUTIVE DIRECTOR

In 2005/06 Canuck Place Children's Hospice reached a number of milestones including the completion of our Strategic Plan, celebration of our 10th Anniversary, the launch of our inaugural Gift of Time Gala, and completion of an Accreditation pilot.

As a result of the direct input from families, donors, staff and volunteers, the *Strategic Plan: 2005-2008: Setting a Course for the Future*, the organization's future goals and vision have been succinctly defined. It is this 'road map' for the future that will guide us to further our programs and service delivery to British Columbia's children with life-threatening illnesses and their families. The input of families will be formally recognized with the creation of the Family Advisory Committee reporting directly to the Hospice Society Board of Directors.

It was a busy year with a number of anniversary related functions and events designed to celebrate and mark our 10th Anniversary of operations as North America's first free-standing children's hospice. Of note was the Family Reunion Concert held at the end of October as a way to include and welcome back many of our past volunteers, staff and donors who have supported us at various points during our ten years. The 10th Anniversary activities culminated with a rededication ceremony of the Hospice by the founding members of the Hospice and the annual winter holiday lighting of the house.

As a way to diversify our revenue stream and contribute to our goal of financial sustainability, on October 13th, 2005, we hosted our first gala fundraising dinner and auction. The Gift of Time Gala

included a live auction of celebrity watches and entertainment by a special musical guest. The success of this inaugural event was due to the combined partnership of a dedicated group of volunteers, staff and the generous contribution of donors. Adding to the financial maturity of the charity was the establishment of our Endowment Trust Fund invested with the Vancouver Foundation.

2005/06 also marks the end of a number of long-serving Board of Directors' terms – Tahir Ayub, Peter Jeffrey, Daryl Simpson, Sharon Toohey and Wayne Duzita. We are grateful for all of their many contributions and wish them the best in their future endeavors.

Despite all the activities, events and projects, our focus has remained, and will always remain, firmly rooted in supporting children and families in 'embracing life' and providing them necessary supports and services to live each day to the fullest.

On behalf of everyone involved with Canuck Place Children's Hospice, thank you for your contributions, however varied.

WAYNE DUZITA,
Hospice Board Chair

FILOMENA NALEWAJEK,
Executive Director

Our partnership with the Canucks for Kids Fund and our relationship with the ownership, management, coaching staff and players and with the fans of the Vancouver Canucks are of utmost importance to Canuck Place and of special significance to our children and families. The Vancouver Canucks are a fundamental supporter of Canuck Place Children's Hospice.

The Canucks for Kids Fund supports a variety of charities with

a primary focus on the development of grassroots hockey, facilitating and encouraging education and children's health and wellness. The Fund helps families and children to improve their quality of life. Since the Canucks for Kids Fund first began its charitable work twenty years ago, they have donated over \$20 million to B.C. based charities.

The Canucks for Kids Fund has, in the past three years, generously provided record levels of funding to Canuck Place.
