

Recruitment to Participate In Family Volunteer Training Family Panel

Canuck Place Children's Hospice provides pediatric palliative care to children across B.C. and the Yukon. One cornerstone to our ability to provide quality care is our volunteers. As the Volunteer & Support Services team, we support the organization with ongoing volunteer recruitment and coordination, ensuring we bring in individuals who are able to help our mission and cause. The team regularly conducts volunteer training throughout the year, as well as annual/bi-annual in-depth, 24-hour Family Volunteer training.

This opportunity will be a way for new and existing volunteers who are stepping into the responsibilities of a Family Volunteer role to hear about firsthand lived experiences of accessing the interdisciplinary care Canuck Place provides children and families. This includes participating in a Q&A style panel sharing family story, volunteer experiences, and medical system experiences. We will not share this panel outside of the Family Volunteer Training as it will not be recorded by Canuck Place.

We hope to select one family who has a child on program or child who has graduated off the program and accesses many aspects of the Canuck Place program including volunteer support at either hospice location.

The commitment for this engagement opportunity will take place:

- Saturday June 1, 2024: 12:20 – 1:30 p.m.

This panel will take place at **Canuck Place Abbotsford – Dave Lede House**. Please review the time commitment for the opportunity below:

- Verbally answer 5-10 pre-written interview questions and a Q&A session in a panel in front of 20-30 incoming Family Volunteers (1 hour approximately)
- Evaluation engagement and feedback

At any time, if you wish to opt out of the Family Panel, please send an email to [Jessica Tremblay, Director, Volunteer & Support Services](mailto:Jessica.Tremblay@canuckplace.org) or call 604-742-3486.

We are committed to creating content that truly reflects the diverse communities that our organization serves. We aim to elevate diverse voices and lead positive change through thoughtful and respectful content.

To submit your name for participation, please email ivolunteer@canuckplace.org
